DIVINE MERCY SUNDAY

From the Pastor's Desk

I hope that you had a wonderful Easter celebration. Thank you for all of your help with our Holy Week and Easter ceremonies. May the risen Lord bless you always.

We are praying for the repose of the soul of Pope Francis. We thank him for his many years of loving service to God and to the church. May he rest in peace.

Now we are enjoying weeks of Easter season. We will reflect each day on the resurrection appearances of the Lord after His death. Jesus died and rose to open haaven to us so that we may live forever.

This weekend we celebrate Divine Mercy Sunday. God is so loving and merciful to us. We enjoy His forgiveness whenever we receive the sacrament of reconciliation, and we are agents of His forgiveness and kindness to all people, especially those who hurt us. Our natural instict may be to seek revenge, or even to do to them worse than they do to us, but instead we pray for them, and show them how to love by our merciful kindness and pardon. Imagine if the whole world could laern to forgive and forget. Peace would break out everywhere. Mother Teresa used to say "If you want world peace, go home and love your family." May you experience God's mercy today.
